TAYLOR MADE PRODUCTS ATTENDS IBEX 2014

TAMPA, Fla. - September 30, 2014 – Taylor Made Products, a member of the Taylor Made Group, exhibited at the 2014 International BoatBuilders' Exhibition and Conference (IBEX).

Items showcased included our family of inflatable vinyl fenders, including Hull Gard®, Super Gard™, and Big B™. Super Gard™ Swirl was introduced for the first time. Super Gard™ Swirl Inflatable Vinyl Fenders offer the same great protection as the original Super Gard™. Made from the highest quality marine grade vinyl, Super Gard™ fenders feature a high gloss finish and double molded black ends for extra strength. Seamless one-piece construction with ribbed sides minimizes roll, and a molded-in valve ensures easy inflation and long life. “Super Gard™ Swirl is a fun new look on a traditional product.” says David Karpinski, vice president of sales and marketing for Taylor Made Products. “Perfect for the boater that wants a functional fender with a unique, distinctive style”. Available in 4 different colors (Blue, Green, Cranberry, and Black) and 3 sizes.

Also featured for the first time was the T-Top Boat Shade Kit. An economical and versatile way to add shade to the rear of your center console or walk around boat. Constructed of light weight material, "Resilience" has exceptional elasticity and protects against harmful UV rays while reflecting up to 75% of UV heat. Installs within minutes. Kit includes necessary poles and stores easily in its own bag. Available in 3 sizes.

A Member of the Taylor Made Group

® Taylor★Made is a registered trademark of the Nelson A. Taylor Co., Inc.
Taylor Made Products is a division of the Nelson A. Taylor Co., Inc.

Another first time introduction, See Board TM Helm Cushions

See Boards are a unique and patented anti-fatigue mat and height adjustment system for standing at the helm. The first product of its type, addressing both back and leg pain issues along with visibility concerns. This combination of a comfortable anti-fatigue pad and optional height adjustment panels are great for younger boaters ready to take the wheel and height challenged boaters tired of standing on tippy toes struggling for a better view. Boating becomes safer, more relaxing and more comfortable.

About Taylor Made Products

Taylor Made Products, a member of Taylor Made Group, LLC, is one of the largest and most innovative suppliers of marine aftermarket products, including buoys, fenders, boat covers, bimini tops, dock products, flags, pennants and hardware.

About Taylor Made Group

About Taylor Made Group Headquartered in Gloversville, N.Y., Taylor Made Group, LLC (www.taylormadegroup.com) has more than 100 years of experience as one of the recreational marine industry's largest, most diversified suppliers to boatbuilders and the aftermarket. Employing over 1,000 associates, The Taylor Made Group includes Taylor Made Products (Gloversville, N.Y.), Taylor Made Systems (Gloversville, N.Y. and Kendallville, Ind.), Taylor Made Glass Systems (Payne, Ohio and Kendallville, Ind.), Ameritex Fabric Systems (Bradenton, Fla.), Trend Marine Products Limited (Catfield, Great Yarmouth, U.K.), Taylor Made Glass & Systems Limited (Templemore, County Tipperary, Ireland) and Taylorbrite (Gloversville, N.Y.).
