TAYLOR MADE PRODUCTS INTRODUCES SUPER GARD™ SWIRL FENDERS

GLOVERSVILLE, N.Y. – October 1, 2014 – Taylor Made Products introduces Super Gard™ Swirl Inflatable Vinyl Fenders.

Super Gard™ Swirl Inflatable Vinyl Fenders offer the same great protection as the original Super Gard™. Made from the highest quality marine grade vinyl, Super Gard™ fenders feature a high gloss finish and double molded black ends for extra strength. Seamless one-piece construction with ribbed sides minimizes roll, and a molded-in valve ensures easy inflation and long life.

Super Gard™ Swirl fenders come with the Guarantee of a Lifetime, same as our Hull Gard®, Big B™, and Super Gard™ fenders.

“Super Gard™ Swirl is a fun new look on a traditional product. No two fenders are alike.” says David Karpinski, vice president of sales and marketing for Taylor Made Products. “Perfect for the boater that wants a functional fender with a unique, distinctive style”.

Available in 4 different colors (Blue, Green, Cranberry, and Black) and 3 sizes.
