## **TAYLOR MADE PRODUCTS INTRODUCES HOT SPOT MARKER BUOYS**

GLOVERSVILLE, N.Y. – July 14, 2015 – Taylor Made Products introduces Hot Spot Marker Buoys.

For over 100 years, Taylor Made has been making marine products that boaters have always been confident in using to protect their investment. Taylor Made is proud to present a new line of fishing markers designed especially for the tournament fishing world.

“Taylor Made developed the Hot Spot Marker Buoy with professional competition bass fishermen.” says David Karpinski, vice president of sales and marketing for Taylor Made Products. “This marker buoy is far superior to all others.”

Use to mark structure, weed lines, drop offs, or hot spots. Proudly made in the U.S.A., Taylor Made Hot Spot Marker Buoys are made of the highest quality marine grade vinyl that lasts for years in the sun. The Hot Spot Marker Buoy will not crack or fade like rigid polyethylene floats. Rounded design allows buoy to deploy quickly, sending the 6 oz. lead-free weight to the bottom faster. Comes with 75 feet of durable nylon twine resistant to abrasion, acids, mildew, and rot. Lifetime warranty on vinyl buoy.

Available in 4 colors. Neon Green, Yellow, Vibrant Orange, and Camo Swirl.
